Dear Mrs Price,

Of course I remember you! How could I forget a good looking nurse from those early Bar Hill days? I seem to remember coming to the Club in Gilbert Road some years ago and what a friendly atmosphere it was.

I would love to come again. Unfortunately my duties as High Sheriff involve most days. Would it be possible for me to come after I have finished my term of office on April 1st. If I choose a date before then I run the risk of letting you down.

Anyway, it was lovely to hear from you again and if I can help I shall be delighted.

Yours sincerely,

Irwin Peck -
